KUBE PIR Transmissive Plastic Injection Molding Granulates

**due to Euro currency weakness
prices are subject to change**

For Fresnel lenses and windows of PIR motion detectors, thermal imaging cameras and non-contact thermometers

Type	Color	≥1kg [EUR / kg]	≥10kg [EUR / kg]	≥25kg * [EUR / kg]	≥100kg * [EUR / kg]	≥600kg ** [EUR / kg]
PIR Injection Molding Granulates						
22300	opaque	19,75	11,60	6,80	5,75	5,34
22302	opaque	23,40	16,45	9,65	8,23	7,44
22310	opaque	19,75	11,60	6,80	5,75	5,34
22312	opaque	23,40	16,45	9,65	8,23	7,44
21821	white	on request				
22400a	white	28,55	20,15	12,35	10,33	9,29
22401	whitish	on request				
22405	whitish	on request				
22414	white	28,55	20,15	12,35	10,33	9,29
30302	MysticBlue	on request				
40253	low density black / smoky	on request				
40700	dense black	28,55	20,15	12,35	10,33	9,29
40702	low density black / smoky	25,95	18,30	11,00	9,28	8,37
40703	low density black / smoky	on request				

PIR Color Correction Granulates and Concentrates						
22424	beige	on request				
26342	super - white	91,55	64,50	39,55		
40260	black	91,55	64,50	39,55		

Near Infrared Granulate for IR LED's 800...1000nm wavelength only, not for PIR. On polystyrene basis.						
12600	dark red	28,55	20,15	12,35	10,26	9,14

* 25kg = standard bag ** 600kg = standard pallet with 24 bags

Prices in Euro (EUR) per kg, ex works Switzerland. Prices in US\$ on request.

MOQ: 1kg Please inquire for larger quantities.

Prices are subject to change without prior notice.

KUBE PIR injection molding granulates are manufactured in Switzerland.
